### **Advice**

When it comes to making your commercial floor look comfortable in the workplace, you can't go wrong with a warm and inviting carpet. Carpets come in a variety of styles, patterns and colours, from traditional big names to modern and clean designs. If it is durability you are looking for you may consider wood or laminate, however choosing the right flooring is of paramount importance which is why we always recommend the best solution once we understand your requirements. Whether you are looking for rubber floors, stone floors, wood flooring, carpet tiles, commercial carpet tiles, stone flooring, carpets London you'll find it at CXP Contracts.

### **Fitting**

We cover all aspects of flooring including Vinyls, Amtico, Stone, Laminate, Wood, Carpets, Carpet Tiles and are major stockists of Gradus, Amtico, Milliken, Altro, Polyflor, Nora Floor Coverings and many more.

Our professional fitters are all qualified in wood floors, architectural specification and design. This enables them to install top quality floor coverings within agreed timescales, in a professional manner, thereby utilising their extensive experience within the flooring industry.

### **Service**

We take pride in providing a reliable, efficient and quality service, tailored for each individual workplace and at reasonable prices.

With a first class after sales service and an emphasis on the health and safety of both you and our staff, becoming a CXP client puts your business in good company alongside all of our happy

clients.

Our Contract Managers are able to come to your place of work to discuss specifications at your convenience and if we can assist you in anyway on any commercial flooring london please do not hesitate to contact us.
